

# PEACE ON OUR STREETS

**OPPOSE THE RACIST EDL**

On April 9th, from 12pm to 2pm there will be a protest against plans to build a mosque at the Dagenham end of Green Lane, held by a group organised by the ENGLISH DEFENCE LEAGUE (EDL).

The EDL have been dropping leaflets that aim to incite religious hatred in and around Ilford and Dagenham. They held a similar protest in Dagenham last month where they did their best to divide the local community by stirring up tensions and prejudices on all sides.

We are not part of UAF or MDL but we also believe that we cannot sit back and watch the EDL promote hatred and intolerance on the streets where we live. This is not just about Muslims - the EDL are intolerant of anyone who differs from their notion of 'Britishness'.

Please join us on 9th April for a counter demonstration. This affects all local people and we need to show unity in the face of this attack against our right to live together peacefully.

**Meetup: 11am SAT 9<sup>th</sup> APRIL 2011**

**GOODMAYES PARK (Green Lane side)**

**BRING DHOL DRUMS + Acoustic instruments!**
